**INVITATION AND CALL FOR PAPERS**  
**INTERNATIONAL CONFERENCE ON REAL ESTATE STATISTICS**  
**20 – 22 FEBRUARY 2019, EUROPEAN CONVENTION CENTER, LUXEMBOURG**

Dear Colleague,

I have the pleasure of inviting you or representatives of your organisation, who are active in applied real estate measurement research, to attend the International Conference on Real Estate Statistics. The meeting will be hosted by the European Commission (Eurostat) from Wednesday 20 to Friday 22 February 2019.

The topics for discussion at the meeting relate to research on residential and commercial real estate indicators. The meeting will be held at the European Convention Center in Luxembourg. I invite you and your representatives to **register online by 5 November 2018**. The language of the meeting will be English.

Active participation and lively discussion are key for success of the conference, so we encourage presentation of a paper, or papers, at the meeting. **Abstracts** should be **submitted online by 1 October 2018** for review by the Scientific Committee. Completed drafts of accepted **papers** are **required by 14 January 2019**.

We have opened the conference website <https://www.real-estate-statistics.eu/> that contains the topics for discussion, venue, accommodation details, and submission and registration forms for the meeting. For any further information regarding the meeting, please e-mail us at [info@real-estate-statistics.eu](mailto:info@real-estate-statistics.eu).

The European Commission (Eurostat) looks forward to welcoming participants to the meeting.

Yours sincerely,

(eSigned)  
Mariana Kotzeva
